Redscar Beat

This beat extends to 1.5 miles upstream of Redscar Bridge (single bank). Prior booking is required and the beat is subject to a maximum of **4 rods**. Redscar is a beat with several glides but no white water. Access to all the pools is easy. Some of the bank is grazed, a cut footpath being provided in wooded areas. Very little wading required. This beat is set on the Milfield plain in full view of the Cheviot Hills.

Upper Tindal (Near Etal)

This beat runs for 1.5 miles downstream of Etal Village. Prior booking is required and the beat is subject to a maximum of **4 rods**. Long streams running into deep rocky pools make this beat attractive to the Fly Fisherman. Access is via riverside car park at the upstream end of beat.

Lower Tindal

This beat runs for 2 miles downstream of Upper Tindal and lies within 7 miles of the Till's confluence with the River Tweed at Tillmouth. Prior booking is required and the beat is subject to a maximum of **4 rods**. Lower Tindal is set in a gorge with a lot of white water followed by long deep pools (20 named pools). Access is by parking at Tindal Farm and walking over a steep bank to the river. A very sheltered beat with 2 bench seats, renowned for it's natural woodland and wildlife.
